Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

Prior to examination, please amend the above-identified application as follows:

**IN THE CLAIMS:**

**Please enter the following amended claims:**

--6. (Amended) The fuel-cell according to Claim 1, wherein the means for conducting electrical current comprise a first layer of metallic material resting on the flexible substrate and in that the first electrode comprises an anodic catalyst in contact with said first layer.

7. (Amended) The fuel-cell according to Claim 1, wherein the means for conducting electrical current comprise a second layer of metallic material resting on the electrolyte and in that the second electrode comprises a cathodic catalyst in contact with said second layer.
